Detailed Work Description ***Full Website Health Report + Phone Meeting***

This work description from SonicSpider LLC is bound by the *Terms of Service Agreement* as posted on SonicSpider's web site (<http://www.esonicspider.com>) and the "*General Terms of Service*" published with this description. Both documents may be modified without notice.

Standard hourly rate is \$125.00 per hour for additional work beyond this work description.

Service Work Description:

- Review of website code. We check for proper code construction, as well as, what SEO elements are currently present in the code.
- Code validation by W3C. (The W3C is the governing body for website languages, browsers and Accessibility.)
- Review website traffic (only for SonicSpider hosted websites).
- Detailed SEO tag review (keywords, title, alt and description tags).
- User interface review and recommendations (how someone moves through the website).
- Design review and recommendations.
- Sitemap review (if one is present).
- SonicSpider's overall recommendations on how to improve your website.
- PDF email report
- 1 hour phone meeting to review report and plan maintenance/update strategy.

Service Deliverables:

- You will receive an PDF report via email of the above services.
- Your phone meeting may be scheduled after the initial report is done Monday-Friday 9am- 5pm Pacific Standard time.
- All consulting or maintenance done as a result of the review and report will be subject to our hourly billable rate (\$125.00). We do have pre-paid maintenance and consulting packages for rate discounts.

Total Pre-Paid Cost: \$299
